Athens County SS.

On this 13<sup>th</sup> day of October 1832 personally appeared in open Court before the Court of Common Pleas now sitting Hopson Beebe [sic] aged 83 years, who, being first duly sworn, according to law, doth on his oath make the following declaration, in order to obtain the benefit of the Act of Congress passed June 7, 1832. That he entered the service of the United States under the following named officers and served as herein stated viz. That the said Hopson Beebe at Salisbury in the State of Connecticut, in the month of May 1776, as he verily believes, but he knows that it was but a few weeks after the burning of Danbury (1) inlisted into the Service of the United States for the term of nine months in the Company of Abel Catlin (2) in the Regiment then under the charge of Captain Prentiss, (3) the oldest Captain of the same, afterwards commanded as the Deponent believes by Col. Meigs. (4) That after inlistment the Deponent immediately repaired to Fairfield, with the other recruits inlisted at Salisbury; that the regiment was assembled at Fairfield. Here we tarried 3 or 4 weeks, when the said regiment was ordered to White Plains in the State of New York, when we arrived at Danbury, all the men who were inlisted for 9 months, among whom was the deponent, were stationed at said Danbury, under the command of Beriah Bills (5) to guard the said Town, that there the deponent remained in service until the expiration of the 9 months for which he inlisted, where when not on guard, during his leisure time he was employed in making cartridges for the use of the army, under the direction of Doctor Wood (6) of Danbury. That the deponent being discharged at the end of his term went immediately to Salisbury aforesaid, where he arrived as he verily believes in the month of February 1777.

That afterward the Deponent, with his family, removed from Salisbury aforesaid to Nine Partners in the State of New York, where in February 1779, the time he cannot exactly remember, he was drafted and put under the care and command of Lieutenant Wood (6) to guard the Prison at Nine Partners, which was called the Hemlock Jail, where many Tories and British officers were confined. That there the Deponent served on month at the expiration of which time a new guard arrived, and the deponent was discharged.

That afterward the deponent removed to Lanesborough, State of Massachusetts, where he remained until the close of the war, and while there received a Lieutenant's Commission and afterward a Captain's Commission in the Militia of Massachusetts, which are now in the deponent's possession.

That sometime in 1806 the Deponent removed to the State of Ohio in the year following to Athens County, Rome Township, where he resided, following the occupation of a farmer, until 1826 when he removed to the Town of Athens, where he now resides.

That he was born as he believes on the 28 day of February of this however he has not any evidence except the copy of his father's family record transcribed many years ago.

That he never had any written discharge, nor has he any other documentary evidence nor does he know of any person who can give evidence of his said service.

And he hereby relinquishes every claim whatever to a pension or annuity except the present, and declares that his name is not on the pension roll of the agency of any state. (Signed) Hopson Beebe
