Letter in file dated May 22, 1935, written in response to an inquiry.

The data furnished herein are obtained from the papers on file in Revolutionary War pension claim, S.12998, based upon the military service of Joseph Berner in that war.

Jpseh Berner was born in 1756, in Dutchess County, New York. The names of his parents are not shown.

While a resident of Cobleskill, New York, where he had resided ever since the Revolution, Joseph Berner applied for pension on July 16, 1832, and stated that while a resident of Cobleskill, Schoharie County, New York, he enlisted April 1, 1779, served as a private in Captain DuBois' Company, Colonel DuBois' New York Regiment and was discharged January 1, 1780; that he enlisted in July 1780, and served three months as private in Captain gray's Company, Colonel VanSchaick's New York Regiment.

His claim was allowed. Upon a reexamination of his claim in 1835, it was found that the service he alleged could not be verified. The payment of his pension was suspended and he was requested to furnish further proof of service or to explain his statements in regard to the alleged service. The records do not show that he ever renewed his claim.

There are no data as to soldier's family.
