W.21561 (Widow: Martha)

Declaration. In order to obtain the benefit of the act of Congress passed June 7<sup>th</sup> 1832.

State of New York

County of Saratoga SS.

On this fourth day of September 1832 personally appeared in open court before the Judges of the Court of Common Pleas of the County of Saratoga, now sitting Joseph Lamb a resident of the Town of Half Moon in the County of Saratoga and State of New York, aged Seventy Eight years, who being first duly sworn according to law doth on his oath make the following declaration, in order to obtain the benefit of the act of Congress passed June 7<sup>th</sup> 1832.

That he entered the service of the United States under the following periods, officers and served as herein stated.

That about the close of the month of July in the year 1776 he enlisted for the term of five months in a company of which William Pearce was Captain, in a Regiment of the New York State troops, under the command of Colonel Swartwout—that he resided in the Town of Pawling in the County of Dutchess and State of New York when he entered the service.

That he marched from Pawlings, unto the vicinity of Kingsbridge where the regiment was stationed some time, and were employed in building Fort Independence and while so stationed, he was sent server times on guard to Morrisania.

That he remained at the station aforesaid, until the latter part of October or first of November, when, information being received from General Washington, that volunteers were needed on Long Island, the company of Captain Pearce of which deponent was a member, and the company of Captain Abraham Swartwout, both belonging to Colonel Swartwout's Regiment volunteered to go, and immediately marched to New York; and crossed over to Long Island where they remained two days, when the American Army left the Island, and crossed over to the City of New York.

That they remained at New York a few days and then the two companies aforesaid returned to Kingsbridge—where they were stationed for a short time. That deponent was then detached as one of the guards of Fifty men to proceed to Morrisania, to relive a guard of one thousand men, and was afterwards ordered back to Kingsbridge aforesaid.

That immediately after returning to Kingsbridge, the station there was broken up and the troops crossed over the Hudson river into New Jersey in the night, within sight of the British shipping. That deponent was then ordered to Peekskill, where they remained until they were joined by the remainder of the Brigade and afterwards proceeded to Fort constitution. That deponent Five months having expired while at Fort Constitution, he enlisted a second time in the Service of the United Sates for the term of one month, in the Company of the said Captain Swartwout, as a sergeant—to with from the 1<sup>st</sup> of January 1777 to the 1<sup>st</sup> of February in the same year.

That deponent was stationed at Fort Constitution during that month and was discharged on the 1<sup>st</sup> day of February aforesaid. That the Lieutenant of the Company in which Deponent served under his second enlistment as aforesaid was Nathaniel Butler—who was also Lieutenant in Captain Pearces Company in which deponent served under his first Enlistment aforesaid.

And this Deponent further saith on his oath aforesaid, that immediately after his discharge at Fort Constitution as aforesaid he returned to the Town of Pawlings, his residence aforesaid—that the country in that vicinity was much exposed to the incursions of the Enemy, who were continually sending out foraging and marauding parties—that the militia were repeatedly and at various times ordered out to oppose them—and that deponent was frequently and for different periods ordered out to oppose the enemy on such occasions.

That twice he was ordered out for periods of three weeks each time, and did duty for those periods accordingly—that at other times he was ordered out and remained on duty for a few days in succession. And that he was thus ordered out and did duty for about three years, and that the time in which he was thus employed in the service of the United States would in the aggregate as this deponent verily believes amount to the term of six months at least.

And that deponent knows of no surviving witness, by whom he can establish his service as above set forth or any part thereof.

And this Deponent on his oath aforesaid the answer to the Interrogatories propounded under the instructions from the Department of War, further saith that he was born at Pawlings in the County of Dutchess & State of New York in the year 1755—that he has a record of his age at his present residence—that he lived at the Town of Pawlings aforesaid when he enlisted, and also where he was ordered out into the service as before stated. That he continued to reside at Pawlings until the year 1795 then he removed to the Town of Half Moon in the County of Saratoga where he has since resided and still resides. That for the term of five months and one month he enlisted as is above stated, and that for the six months duty, as above stated—and that for the six months duty as above mentioned, he was ordered out as a militia man—That the names of the officers who were with the troops where he served and whom he recollects are General George Clinton & Colonels Swartwout, Lasher & Brown—that the general circumstances of his service are above detailed.

That he never received a written discharge from the service.

That he is known to the Reverend Abijah Peck, Doctor William Cary, Zebulon Mott & Stephen Badgley who resides in his neighborhood, and who as deponent believes can testify to his character for veracity and their belief of his services as a Soldier of the revolution and that he has no documentary evidence by which to establish his service as aforesaid.

He hereby relinquishes every claim whatever to a pension or annuity except the present and declares that his name is not on the Pension Roll of the agency of any state. (Signed) Joseph Lamb
