Petition of John Little, of Montgomery County and State of New York.

23d January 1805, referred to the Committee of Claims.

24<sup>th</sup> January 1805, Committee of Claims discharged from consideration, and petition referred to the committee of the whole House, to whom was committed, on the 2d instant, the bill in addition to an act to make provision for persons that have been disabled by known wounds received in the actual service of the United States during the revolutionary war.

25<sup>th</sup> February 1806 Referred to the Committee of Claims.

28<sup>th</sup> March 1806, Case given to withdraw.

To the Honorable, the Senate, and House of Representative of the United States in Congress Assembled.

The Petition of John Little of the County of Montgomery in the State of New York; Humbly Sheweth:

That your Petitioner was Captain of a Company of Militia in Colonel Fisher's Regiment, in the Revolutionary War—that in an Engagement between the American and British forces, near the Town of Johnstown in said County, he received a wound from an Indians tomahawk, in the right shoulder, which so disabled him, that he has ever since been incapable of obtaining a livelihood, by labour, as will appear by the certificate and depositions, here with presented, taken before Commissioners appointed by Robert Troop Esquire, District Judge, pursuant to a law of Congress, for the relief of Invalids.—

That your Petitioner, had procured this necessary evidence, to establish his claim, to a pension, in the year 1798, when he expected to be placed on the pension list, without any further provision, but on his applying to the Secretary of War, with his voucher, he was told, that the time limited for exhibiting those claims, had expired.

That although, a law passed the Honorable Congress, in the year 1803, for the relief of the disabled officers, soldier, and seamen, wounded during the revolutionary war, and who had not been provided for, your Petitioner, is informed, that it does not embrace his case, because, he was serving in the Militia, and not in the regular Army, at the time, he was wounded.—

Her therefore prays your Honorable body, to take his peculiar case, into consideration, and grant him such relief, as shall be Just—and as in duty bound. He will pray, &c. (Signed) John Little. (11)
