The Hon^l P.J. Borst.

Sir In answer to the inquiries submitted in yours of yesterday, I have to acquaint you that the name of John Sattler or Suttle does not appear on the Records of Hazen's Regt (1) on file in this office, among those returned at the close of the war as entitled to Bounty Land of the U. States. It appeared however, that the name of John Shottler is returned as a private in Hazen's Regt (2) and was entitled to said Bounty Land Warrant no 904 having issued on the 21st April 1820 in the name of Jno W. Taylor assigne of the said John Shottler—notwithstanding the variation in the spelling of the name, there is scarcely a doubt but the person who was entitled to the warrant is the same to whom your letter has reference and it will be only necessary for you to establish the identity in order to obtain for him the benefit of the provision of the Act of 15th May 1828.

For further information on the subject I beg leave to refer you to the treasury department.

I have the honor &

Wm. Gordon
