

**Pension Application for Samuel Vader (Veeder, Vader, Fador)**

S.11655

State of New York

Columbia County SS.

On this 14<sup>th</sup> day of June A.D. 1823 personally appeared before the Justices of the Justices Court of the City of Hudson in said County in Open Court now sitting Samuel Vader a resident of the town of Livingston in said County aged seventy four years who being first duly sworn doth on his oath make the following declaration in order to obtain the benefit of the provisions made by the act of Congress passed June 7<sup>th</sup> 1832.

That the only record of his age is recollection & tradition. That he was born in the town of Rhinebeck in Dutchess County—in December of the year 1758—he thinks—perhaps some year earlier—that he was soon put in apprentice to a man in Glenmont in Columbia County, where he resided till the Revolution. That the first part of June in the year 1775 he enlisted in the army of the United states for three years. That he enlisted in the Company of Abraham Swartout Captain (1), Lieutenant Garret Staats (2), & Ensign Phillip Conine. (3) They marched via Albany to Fort Stanwix & where there joined to the regular troops stationed there in the Regiment of Col. Peter Gansvoort & Brigade of General Fisher (4). That Capt. Swartout left the command soon after arriving there & Capt. Aaron Austin (5) took the command—This was a company of “Light Infantry”—He was there when the British officers were introduced into the said Fort blindfolded & was in the battle (6) which followed—He was also with General Sullivan (7) in his excursion among the Indians up the River Susquehanna—that the troops wintered in New Jersey, & in the spring they came to Albany & then he was discharged, after a service of three full years—He received a written discharge, which he has lost—He was in the skirmish (8) with the Indians when the villages & corn was burnt.—

That he hereby relinquishes every claim whatever to a pension or an annuity except the present--& he declares that his name is not on the pension [roll] of any agency in any State—

And this applicant further says, (on the suggestion of said Court that Sullivan’s expedition was in 1779) & that he may be & probably is mistaken as to the time of commencing his said service—but the he served three full years, in the line of Regular troops, which service terminated with the Sullivan Expedition.—(Signed with his mark) Samuel Vader

Sworn to & subscribed the day & year aforesaid. J. D. Parker, Clk
